Abstract (11 Bold): This instruction provides guidelines for preparing submissions to the 6th Conference on Bioinformatics (ICB6). It should be submitted in **PDF format**. The paper size is **A4** (210 x 297 mm), leaving 0.8 inches for left and right margins, 1.5 inches for top margin and 1 inch for bottom margin. The abstract should have the header of the conference. The abstract text font must be Times New Roman 11. The references within the text should be cited in numerical order and enclosed in brackets "[]". Please underline the name of author who will present the article in the conference and also indicate the corresponding (contact) author with "*" and give his/her e-mail address as above. You can use this file as a template for your manuscript. The abstract should contain the aim and significant findings of the research. **The minimum length of the abstract is 200 words and it should not exceed 1 page.**

Keywords (11 Bold): Max. 5 Keywords, 10 regular and separated with " , "
